It municate with your Chamber on the subject, scena now, however, that Mr. Bennett either and and her respectfully to submit the following

rtain 1. The Treaty of Tientain, concluded by Lord Islin of January 4th, contains its "annual aport Elgin in 1858, conferred hiportant rights and review of the trade and commerce of San Fran-sop's privileges upon British trade, and under it our cisco for the year ending December 31, 1869. te an commercial intercourse with China has rapidly Among other tables it gives one showing the eren extended. We are of opinion that unless with values of foreign merchandise imported into the ation the object, on the one hand, of andoubted im- city for the year. The articles are given mers provement and of further facilitating. British arranged under the headings of different rable trule, or, on the other, of removing any, provi-urate sions which might be found unjust in their uzzle, operation towards the Chinese Government, is not for the interest of Great Britain that the aging terms of the Treaty should be altered. On this point Sir Rutherford Alcock, addressing H. hl'a:

Consul at Shanghai, on let April, 1869, said :-

final decision mad be taken to turn to profit

"Late as it is, there is get time, before any

much uny well-considered subjects by which the chiefa this difficulties upry be satisfactorily removed. Any twell regision of the Treaty, indeed, which should ceren fail in this, would, in my opinion, fail in the coppy most cardinal point, and could be of little avail the for the extension and free development of trade. the figures of the Bulletin and those of the It is for more important that a revision of the Bennett. As the former has men whose south. Treaty should be seliefactory, than that it business it is to gather and keep "statistics t effects should be effected within any specified time. this character, we absume it is correct, especially moard There is nothing, in fact, to limit the period of when we are informed that the figures are preliminary examination and negotiation. If, derived "from official sources." Thus it will mand in the present condition of the Duplie, or be seen that our vast and magnificent trade receased the existing state of affairs, the obstacles to any with China, one way, amounts to less than a ption, satisfactory revision, in the sense of large and million and two-thirds dollars. Now what do less of practical improvements, should be found insu- we give for this million and two-thirds dollars. prior peralle, there is nothing to begained by hurry worth of rice and opinion had ten, etc.? Bennett evicus ing the negotiations to a close. On the consequence in the province of the province in the province of the provin accept such incomplete and imperiou results as and merchandise. at for would leave foreign interests and relations gains, practically the same and without any material

Josion 2: In examining the new stipulations, it is Security gives them for seven months at oming with disappointment and vagret that we fail to \$2,440,931. Our treasure expects for the year, is that recognize among them any important provisions the Rule line gives at \$5,504,722; Bennett at father farourable to foreign commerce, or which can 40,838,616. The Bulldin published all the those to which we principally take exception.

and which we believe are calculated to inflict a dicta them "from official sources." Let us eep, of san-salvantages of opening the two new ports not shall exert thing specified can be certainly affirmed; and, churchie and transure, \$7,821,012. And this for in the intubilished at the same and the same for in be catablished at these ports, is much more is called a belance of trade in our layor lay likely to fall into the harids of Chinese than of ving us which are undoubtedly advantageous, but they are of very small importance when put in com-British merchants. There are other stipplations costs. parison with thuse which we proceed now to

proof 3. In Article III. of the new Convention, it dome is agreed that British textile fabrics shall pay they are advocated by Californians? We can adduce no atronger argument for a discourageof the transit dues equal to half import duty, or about ment of Chinese immigration than is afforded of the transit dues equal to built import duty, or about by these figures. The Chinese some here to demand two and a half per cent, and thencously on drain us of our wealth, and to crowd white Autility importation, and that the goods shall there is bringer after be exempt from all other taxes or extended of the contract of the least part in the least part invalues. It wall be observed that this impost is now to be levied upon goods taken for local consumption. Chinese a large and increasing quantity, and which have benefit been liable to he transit whatever. deeply We may flee mention that in some of the more b were porthern parts of China openito our trade, there

on that are either no transit dues at all or very insignifiopium cent ones. In the case of these also the new but we imposs is a clear addition of duty. tidaty Now, while we are prepared to welcome prices, with more sellers than buyers:—New a value any bone fide attempt to regulate the Inland Painz, \$5281 to 2530, each and credit, also on further duties, it is notorious that obligations with re-demand ference to these, made under former Treaties, Patna, \$045 to \$547; Old Benares, \$535, nostill is, have not been observed by the Chinese, nor minul; Malva, \$635 cash buyers, \$640 sellers. have they been enforced by the Treaty Powers. In Raw Cotton sales consist of 150 bales ets with risi distom levied by the provincial authorities seedy Bombay at 20.00 per picul, 170 bales through whose districts the merchandise is Rengal at \$22.60 per piont, 104 hales Bangal at conveyed, and not by the Imperial Government \$21.90 per picul. 80 hales Bengal at \$17.7 Complaints of arbitrary and excessive exactions; per picul; total 535 bales. for which no redress could be obtained, led are the to the insertion into the Treaty of Tientsin of in view a provision by which it was made optional On London .-

bin this to commute these dues for 24 per cent. ad strictly were to be issued which should exempt the there- goods from all transit dues en roule from the ere the treaty port into the interior. This system have so has completely failed: illegal exections have item of been made on British merchants, but still against more on Chinese traders, to the serious injury tuations of British commerce. It is now cought to make On Cateura, -Bank. Sdays' sight 2224 al quota the commutation compulsory, and we have no rovince, guarantee whatever, that the payment of these esirable dues into the Imperial Exchequer will exempt of the traders from the exactions of local officials. partieu. There is un provision made in the convention,

which beyond that which has hitherto proved entirely H'kong & W'you Dook I per centi prem. pywhere ineffective, for securing that British goods, in Union Book Stares asts no transit to the markets of the interior, shall pass Il'kong C'ton & Macao Steam Boat inkfully to conclude that 24 per cent, now to be levied Union Insurance Society of flecting merely an addition to the import duty of China Traders Insurance Company's profits 5 per cent. 4.
